[Section Diagram Over.]

With regard to the scrip location, the Inspector reports that the improvements consist of a log house 14x14, value $35.00(only one small window and door). Cultivation 1913, eleven acres of breaking.

"The river (saddle) running through this land cuts it up quite badly. There is some splendid spruce timber on (S.W.?) 34, of this land, and Mr. Allin also has about ten acres of hay meadow brushed and piled but not burnt, and I believe Mr. Allin would have proved up on this land had he lived. I consider this scrip a very good piece of property, although there is some very heavy clearing in parts."

Under the circumstances I presume that cancellation proceedings pending against the homestead entry may be held in abeyance until the 15th of July next, on condition that at least seven acres in ploughing be completed and the house repaired. It is noted that the Inspector suggests that twenty acres in breaking would be sufficient in this case.

The late T. Allin who died on the 10th of March 1913, made homestead entry and located South African Volunteer Bounty Land Scrip on the above described land, on the 8th of September, 1910, and 3rd of July respectively.

Cancellation proceedings were instituted against the homestead entry on the 29th of September last. A Homestead Inspector's report was ordered.

In connection with the application for an extension of time by one of the legal representatives the Deputy Minister instructed that when the Inspector's report had been received the case should be referred to this office. Further instructions were received from the Deputy Minister's Office on the character of the land contained in the homestead in order that the Department would be in a position to determine whether the area required by the regulations to be cultivated, might be decreased.

A Homestead Inspector has now reported that the improvements consist of a log house, 13x20, roof not finished, partition inside. Breaking, 1911, one and one half acres, (apparently valueless).

The report concludes with, "there is a poor fence around about five acres and the breaking has pretty well gone back to soil again. Some of this land is fairly open, but most of it has either thick willow scrub or old roots which makes clearing very hard-and I think if Mr. Allin had got twenty acres in breaking fifteen in crop he might have been entitled to patent for this land."

With regard.

Thomas Allin - Deceased.

Kindly refer to your memo. of the 6th November last regarding the homestead and scrip location of the late Thomas Allin.

Cancellation proceedings are pending against the homestead; no cancellation proceedings in connection with scrip so far.

The legal representatives have asked for an extension of time to perform the duties.

The Inspector's report indicates that very little has yet been done on the homestead, but there would be no objection to holding over the cancellation proceedings until say the 15th July next to enable the legal representatives to do a reasonable amount of work on the homestead

The Inspector's report shows the land is difficult to clear and 20 acres of breaking would be sufficient instead of 30 as in ordinary cases.

If 10 acres are broken by the 15th July next, the cancellation proceedings could be abandoned.

Would suggest that the parties be required to file the Letters of Administration here. I understand they have been revealed in the Province of Alberta.

In regard to the scrip location, apparently nothing is necessary at the present time, as some cultivation was done last year and no doubt the estate will see that the duties are properly carried out in due course.

NW¼ - 27 - 56 - 8 - W. 5th M.
Hd. of the late Thomas Allin.

I beg to acknowledge the receipt of your letter dated the 22nd ultimo, file 174584, in reference to the above homestead, and in reply to say that a certified copy of Letters of Administration is on file here and you were advised to that effect on the 4th October last.

Please call upon Messrs Macdonald, Shepley & Donald to furnish you within thirty days with a statement on form 36, showing exactly what has been done in the way of settlement duties.

Your obedient servant,

[illegible]

Assistant Secretary.

The Agent of Dominion Lands,
Edmonton, Alberta.

In a statement dated the 9th instant, F.W.Allin, the legal representative, claims that one acre was broken in 1911, and one acre cropped in 1911, also that ten acres were broken in 1914.

If this case is to be treated in accordance with the ordinary practice Mr.Allin should be called upon to increase the breaking to at least twenty acres and crop a reasonable proportion thereof, say, ten or fifteen acres in each of two seasons.

Will you kindly advise me whether the Reverend Mr.Sparkes is to be advised to this effect, or, if not, what other conditions should be imposed with respect to cultivation.

As this is a case of a deceased entrant, no residence duties will be called for.

Respectfully submitted,

[illegible] September, 1914.

[illegible]

S.E.¼ of [illegible]
Homestead of Thomas Allin,
(deceased).
Entry granted, [illegible] Sept. 1910.

S.½ of [illegible]
S.½ of 24,
[illegible] Thomas Allin,
(deceased).
Entry granted, [illegible] July, 1911.

[illegible] Allin, a brother of the deceased entrant has filed Letters of Administration of the estate and is desirous of completing the entry.

The Rev. [illegible], of 46 College St., Toronto, interviewed you in regard to this case yesterday and the Reverend gentleman stated that he was very anxious that the heirs of the late entrant should be treated as leniently as possible; further that the brother had no intention of profitting through the land, but desired to obtain possession thereof on behalf of his mother.

The file shows that a Homestead Inspector visited this land on the 15th December, 1913, and reported that one and one half acres had been broken in the year 1911, but had reverted to sod. I quote a portion of the Inspector's report in regard to the agricultural value of this quarter-section:-

"Some of this land is fairly clear, but most of it has either timber, willow scrub or old roots which make clearing very hard and I think if Mr. Allin had got twenty acres in breaking and fifteen acres in crop, he might have been entitled to patent for this land."

While late Mr. Allin was on entrant upon the land under the regulations in regard to ordinary homesteads, he should have thirty acres broken and twenty acres cropped.

Volunteer Bounty Scrip Location
of the late Thomas Allin.

Referring to your call at the Department, I beg to say that in order to earn patent for the above mentioned Scrip Location, it is necessary, in the first place, to have a habitable house on the land, that is a house which can be lived in during both summer and winter.

As to cultivation, it is necessary to work the land in each of three years, and crop a reasonable proportion in each of two years.

As to the area required, 30 acres of breaking, of which 20 acres have been seeded during the last term would be sufficient on an ordinary prairie homestead. I understand from you that this land is difficult to clear, and it will be sufficient if you break an area equal in cost to 30 acres of ordinary prairie.

Encl.

Next spring, after you have seeded for the second time, you would apparently be at liberty to make application for patent, and you could then ask for an Inspector's report as to the value of the work done. On receipt of this report the application will be given consideration on that basis.

I enclose a copy of a Handbook for the information of settlers, on page 17 of which you will find information about cultivation duties. Your statement was that 11 acres had been broken in 1914, and further breaking had been done this season, and a crop taken off.

Your obedient servant,

Assistant Secretary.

Statutory Declaration.

CANADA

IN THE MATTER OF

The North West Quarter of Section 21, Township 29, Range 23, West of the 4th Meridian.

I, Alexander Reid,

of Carbon,

Rancher,

2249639

in the Province of Alberta,

do solemnly declare

That,

1. I homestended the North East Quarter of Section 20, Township 29, Range 23, West of the 4th Meridian, and received my patent therefor.
2. About five o'clock on Friday afternoon of the 30th of September, 1910, I learned for the first time that the North West Quarter of Section 21, Township 29, Range 23, West of the 4th Meridian would be thrown open for homesteading.
3. Early Saturday morning, I went to the telegraph office at Carbon and tried to get the Dominion Lands Agent in order to make an application to preempt the said North West Quarter of Section 21, but could not get him on the telephone. I then drove to Acme, reaching there about 11.30 o'clock. I forthwith wired to the Dominion Land Office at Calgary making application to preempt the said N. W. ¼ of Section 21.
4. On the 1st of October, 1910, I took the train from Acme, reaching Calgary at 5.30 on Saturday afternoon.
5. On Saturday afternoon after reaching Calgary, I went to the door leading to the Dominion Land Office to stand awaiting my turn so that I could preempt the said N.W. ¼ of Section 21. When I got there there were already a number of persons before me. I stood in the line up until Monday morning at nine o'clock.
6. On entering the Dominion Land Office on Monday, the 3rd day of October, 1910, at nine o'clock I found that there was an applicant ahead of me to homestead the said N. W. ¼ of Section 21. I heard the applicant to homestead the said N. W. ¼ of Section 21 apply to the Dominion Lands Agent for this land. I then entered a protest against his getting the land, claiming it as a preemption. The agent at the counter told me that he had not received my telegram. He thereupon sent to the telegraph office and my telegram was sent over to the Dominion Lands Agent and he received both our applications and promised to submit them to the Department of the Interior at Ottawa.

And I make this solemn declaration conscientiously believing the same to be true and knowing that it is of the same force and effect as if made under oath, and by virtue of The Canada Evidence Act.

Declared before me at the City of Calgary, in the Province of Alberta this 4th day of October, A.D. 1910.

To Wit:

I, William Douglass,

of Carbon,

in the Province of Alberta,

Rancher,

do solemnly declare:

That,

1. I homesteaded the South East Quarter of Section 18, Township 29, Range 23, West of the 4th Meridian.
2. About five o'clock on Friday afternoon of the 30th of September, 1910, I learned for the first time that the South West Quarter of Section 17, Township 29, Range 23, West of the 4th Meridian would be thrown open for homesteading.
3. Early Saturday morning I went to the telegraph office at Carbon and tried to get the Dominion Lands Agent in order to make an application to preempt the said South West Quarter of Section 17, but could not get him on the telephone. I then drove to Acme, reaching there about 11.30 o'clock. I forthwith wired to the Dominion Land Office at Calgary making application to preempt the said S.W. ¼ of Section 17.
4. On the 1st of October, 1910, I took the train from Acme, reaching Calgary at 5.30 on Saturday afternoon.
5. On reaching Calgary on Saturday Afternoon I went to the door leading to the Dominion Land Office to stand awaiting my turn so that I could preempt the said S.W. ¼ of Section 17. When I got there there were already a number of persons before me. I stood in the line up until Monday morning at nine O'clock.
6. On entering the Dominion Land Office on Monday, the 3rd day of October, 1910, at nine o'clock I found that there was an applicant ahead of me to homestead the said S.W. ¼ of Section 17. I heard the applicant to homestead the said S.W. ¼ of Section 17 apply to the Dominion Lands Agent for this land. I then entered a protest against his getting the land, claiming it as a preemption. The Agent at the counter told me that he had not received my telegram. He thereupon sent to the telegraph office and my telegram was sent over to the Dominion Lands Agent and he received both our applications and promised to submit them to the Department of the Interior at Ottawa.

And I make this solemn declaration conscientiously believing the same to be true, and knowing that it is of the same force and effect as if made under oath, and by virtue of The Canada Evidence Act

An Inspector reported that you purchased the above land from the Municipal District of Stewart. This quarter section is charged with certain seed grain indebtedness in favor of this Department, incurred by the former owner. As you no doubt have received returns from your farming operations last season, will you please forward a payment sufficient to close the account, as the amount outstanding is not a large one.

The amount on the 31st of March last stood at $49.33, to which is to be added interest at the rate of five per cent on the principal sum of $50.00, from that date to the date of payment.

Re: Account of H.J. Uffken,
S.W. 34-32-5-W.4th.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 relief amounting to $30.00 was advanced to H.J. Uffken on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$ 30.00	$ 56.83	$ 86.83

Patent was issued in the name of Henry Joseph Uffken for the S.W. 34-32-5-W.4th on the 25th of March, 1918, subject to the 1915 lien. The S.E. 34-32-5-W.4th was formerly the pre-emption entry of the debtor whose entry was cancelled on the 30th of June, 1924, and the land is still unalienated Crown land held in the right of the Province.

In reply to our questionnaire of the 24th of September, 1953, The Director of Assessments, Department of Municipal Affairs, Province of Alberta, wrote as follows:-

"The South East quarter is unalienated Crown land which is presently occupied under grazing lease from this Department, while title to the South West quarter is vested in this Department, having been acquired through Tax Recovery proceedings and is occupied at present under Cultivation Lease from this Department. This land is located in that part of the Province designated Special Areas and in view of this fact there is little likelihood of sale ever being made of same."

The information obtained indicates that the land is such that it is unlikely to be disposed of by sale in the near future and no longer offers any security of value for our lien. Under the circumstances it is recommended that the indebtedness be cancelled and the lien discharged.

DOMINION OF CANADA

PROVINCE OF ONTARIO

COUNTY OF CARLETON,

To Wit:

In the matter of The North-west quarter of Lot 20 - 11 - 1 - 4th Gatineau.

I, John O'Neil, of the City of Ottawa, in the County of Carleton, Farmer, DO SOLEMNLY DECLARE:-

1. That from the 26th day of June, 1913 to the 14th day of July, 1917, and up to the present date, that is to say, to the 26th day of August, A. D., 1918, I resided at the City of Ottawa, in the County of Carleton. During the said period my wife has been seriously ill and unable to transact her household duties. During said period my household consisted of my said wife and four children. Eldest of all is ten years of age and the youngest three years of age. During the said period of time my wife was constantly under the care of a physician and by condition in life was such that I was unable to bear the further expense of employing servants to attend to the wants of my home and of my said children. In consequence of the illness of my said wife and the conditions prevailing I was unable to leave my said home to discharge the honest and duties imposed upon me with reference to the said lands. During the said interval I had to remain to guard against the care of my said wife and infant children and I was therefore utterly to absent myself from the land in question during the said time.

2. During the year 1913 I resided upon the said land four months and broke fifteen acres thereof and erected a dwelling house. During the year 1914 I lived upon the said lands for a period of ten months, removed a large quantity of stone therefrom, made other, and valuable improvements of a permanent character. At the end of the said period to the months I was called home owing to the illness of my wife and the death of my child. In the month of April, 1915, I left the City of Ottawa with my said wife and family with the intention of settling permanently on the land, but upon my arriving at Lac-du-Bonnet, near the City of Winnipeg, my said wife took

se-iously ill and I was o-liged to -e-ain the-e th-ee weeks and at the e-d of that pe-iod owi- to the c-ntinued illness of my wife I was co-pelled to -emain [illegible] days and since my said -ete-n have been detained he-e by the c-ntinued illness of my wife.

3. THAT if an extention of time were g-a-te- to me until the fifteenth day of A-ril, A.D., 1914, I would be -e-ai-ed to take up my pe-manent -esidence upon the said lands and complete my ho-estead duties without any f-the- delay.

4. THAT upon the said lands I have at the p-ese-t time a sufficient quantity of ho-sehold fu-nitu-e as well as a la-ge quant ty of machine-y and ag-icultu-al implements, including one tande-, 1 plough, ha--ows, seede- and othe- implements of a like cha-acte-, and I have in the keeping of one [illegible]. Cu--y, a settle- upon an adjoining lot, one team of ho-ses.

5. The-e has neve- been any intention on my pa-t to evade the duties imposed upon me by the said Act and I would have willingly taken up my -esidence upon the said lands e'-e this but f- the ci-cumsta-ces a-o-e- and I could not be p-e-a-ed to take up my said -esidence and discha-ge my said duties but f- the continued illness of my wife and the fact that I have no pe-son with whom I can leave my infa-t child-en in cha-ge.

6. I am making this applica-ion in good faith and not fo- the pu-pose of 'elay o- f- the pu-pose of evading in any way my ho-estead duties.

7. I have consulted with [illegible], who has cha-ge of my said ho-ses, to b-eak fo- me f-om the p-esent season at least fifteen acres of land.

[illegible] I make this solemn de-a-ation conscientiously believing it to be t-ue and knowing that it is of the same fo-ce and effect as if made [illegible] oath and by virtue of the Canada Evidence Act, 1893.

DECLARED before me at the City of Ottawa, in the County of [illegible], this 26th day of August, A.D., 1913.

A Commissione- etc.

Ottawa, Ontario. Aug. 26, 1913.

To the Local Agent of Dominion Lands,

Calgary, Alta.

Sir, -

Enclosed herewith please find a letter from the Secretary of the Interior of the Province to me, which I would ask to furnish you with a Statutory declaration setting forth the reasons for my inability to take up residence. I have complied with his request by forwarding you the enclosed Statutory declaration accompanied by a certificate from Mr. Smith, who has been in charge of attendance upon my wife. If I can, by any possibility, furnish any other evidence to satisfy you as to my good intentions I will be very pleased to do so. I sincerely trust that you will take everything into consideration and grant me an extention of time until the 10th of April.

The fact that I have on the property a very large amount of machinery and household furniture as well as a team of horses should, to my mind, be strong evidence on my part of an intention to settle permanently upon the land, and should I lose the property at the present stage it would mean years of labour on my part to make up the loss which I would suffer, and at my time of life, forty-nine years of age, such a loss would be a serious matter.

Trusting that these matters will have your kind consideration I will be grateful, I am,

Yours very respectfully,

DOMINION LANDS BRANCH

Re Erick Norberg and
SE¼-12-59-7-W.5th Mer.

Sir,

On the 19th Octr. last I wrote at the request of Mr. Erick Norberg to the Dominion Lands Agent at Edmonton, Alberta, asking for his Certificate of Naturalization, which he should have received shortly after or about the time he received his Patent for the above lands sometime in the Spring of 1914, because he never had received any such Naturalization Certificate.

To that letter I received a reply dated 28th Octr. last under File No. 175438 ~~2/6~~ from the Asst Agent at Edmonton advising that the Patent to these lands was granted in Novr of 1914, and that the "Certificate of Naturalization was ~~has~~ forwarded to the Department at Ottawa and in the ordinary way would have been returned to him when Patent issued. It is not on file here, and I am asking the Department at Ottawa, if it is on file there, and if so, to forward it to you as soon as possible".

By your letter of the 11th Novr. inst., under File No.2244037, you advise me that" according to Departmental records this document was returned to Mr. Norberg by registered mail on October 28, 1914." But you do not tell me where or to what P.O. address you mailed it?

I sent for and had Mr. Norberg in my office to-day, and read all the correspondence to him. He tells me that he received his Patent to the lands all right, but he never received his Certificate of Naturalization, and never saw it, although he has on several occassions made enquiry for it. If you sent it to him by registered mail as stated, then you will have that copy of the letter and registration receipt on file and can readily turn to it, then we can easily trace down through the proper channel and ascertain what became of that registered letter. If it was never delivered to him, then it would be returned to your Department again after a reasonable time and be kept on file.

If you can locate it, would you be good enough to produce it to Sir Joseph Pope C.M.G., Deputy Minister of External Affairs, to whom Mr. Norberg has applied for a Passport, then on granting of the Passport it can be forwarded to me with the Passport and a proper receipt given for it. But if you cannot locate it quickly, could you not give Sir Joseph Pope proper and sufficient evidence of its having been issued so that delay may not arise in issuing the Passport to prevent Mr. Norberg proceeding his destination for the Christmas holiday. If you can expedite matters it would be greatly appreciated.

Faithfully Yours
